

Amendments to the Specification:

Please amend the paragraph starting at page 7, line 9, as follows:

As will be described in detail below, the client devices 110, consistent with the present invention, perform certain searching-related operations. The client devices 110 may perform these operations in response to processor 220 executing software instructions contained in a computer-readable medium, such as memory 230. A computer-readable medium may be defined as one or more memory devices ~~and/or carrier waves.~~
